PS30 - PM5L

POSTMATE 5L

The PS30 - PM5L is one of the most advanced and user friendly desktop pressure sealer and office paper folder on the market. This cost effective machine is ideal for small volume processing of Z, C and V folds. Reverse roller system automatically reverses to back out jams.

The PS30 - PM5L folds and seals at up to 4,500 forms per hour. Exceptionally quiet, ideal for any office environment. Interchangeable drums for multpile form sizes and fold settings (refer to the chart). Drums can be changed easily. Standard pricing includes either the "Z" or "CV" drum or purchase both for an extra charge.
